VISAKHAPATNAM PORT TRUST
ENGINEERING DEPARTMENT

1.NAME OF WORK: Providing watering and rank vegetation around the plants from Sheelanagar junction to CWC junction for two months

SPECIAL CONDITIONS

1. All materials and workmanship shall conform to the appropriate Indian Standard Specifications, published by the Bureau of Indian Standards (BIS) latest versions as applicable, specifications given in the Schedule "B" (schedule of quantities and rates) of the contract and special conditions. Standards issued elsewhere may be used if approved by the Engineer-in-charge for those items of work only for which appropriate Indian Standards do not exist. Necessary testing charges, if any, shall be borne by the contractor.
2. The Contractor is responsible for taking precautionary measures for the safety of the lives of the mazdoors working under him and the responsibility arising due to any mishap during the execution of work, the payment of any compensation etc. lies entirely on the part of the Contractor.
3. The notice inviting Tenders and General Conditions etc., shall form part of contract.
4. All the rules and regulations governing the Visakhapatnam Port Trust shall be applicable.
5. Any damages caused to Port property either directly or indirectly shall be made good by the Contractor at his own cost.
6. The decision of Engineer-in-charge is final in case of any technical clarification.
7. All defective works pointed out by the Engineer-in-charge shall be rectified by the contractor at his cost.
8. The percentage excess / less over total schedule amount shall be required to be typed at the end of the schedule- 'B' by the contractor.
9. No sales tax will be paid on account of the work.
10. The work should be completed within **60 days** from the date of work order.
11. It is the responsibility of the Contractor to see that the job entrusted is done expeditiously with safety and in time. A penalty of $\frac{1}{2}$ % will be levied for every week of delay subject to maximum of 10% on the total value of the contract. In this connection, the decision of Chief Engineer is final. Time is the essence of the contract.
12. The VPT reserves the right to withdraw any item of Tender or to cancel the subject Tender without assigning any reason.
13. Statutory deductions will be made from the bills.
14. Payment will be made according to the actual quantities of work ordered and carried out as measured by the Engineer-in-Charge. The rate entered in the contract shall be valid for any extent of variation of quantity of each individual item subject to total contract value does not get altered by more than 30%.
15. Any additional work required, should be carried out with the prior approval of CE / VPT or his authorized representative and will be paid extra as per mutually agreed up on.
16. The Standard VPT conditions, which are not mentioned, are also applicable to this work.
17. The Contractor has to follow the norms of IMS as the VPT is adhering to Quality management system (ISO 9001-2008), Environmental management system (ISO 14001-2004) and Occupational health & safety assessment series (OHSAS 18001-2007) for their activities.
18. According to GST Act every dealer is liable to be registered whose aggregate turn over exceeds Rs:20 lakhs for supply of goods /services /executing any work contract. Accordingly GSTIN is to be provided for participation in tender and to award the contract.
19. The contractor / Firms while quoting Tender shall note that, no post Tender negotiation will be held with the L-1 Tenderers, except in exceptional cases, whenever it is found necessary.
20. If any forged / fake documents are submitted by the Tenderers, the management reserves the right to forfeit the EMD/SD besides their business dealings with VPT will be banned.
21. No claim will be entertained for fluctuation in market rate of any labour, materials on transportation etc., during the period of contract.
22. No escalation clause will be entertained at any stage of the contract.

CONTRACTOR

23. METHOD OF MEASUREMENT:

Standard Method: Unless stated or billed otherwise, quantities shall be measured in accordance with the Indian Standard code of practice for Measurement of Civil Engineering works I.S. 1200. The rates entered in the contract shall include whatever allowance is considered by the contractor to be necessary for waste, working area, construction slopes, batters etc.

24. The payment of transportation of Earth / Debris will be made on stack measurements after deducting 20% for voids. The Contractor has to make stacks at his own cost at the place of loading and spread the debris / earth at the place of unloading to lines and levels as directed by the Engineer-in-Charge.
25. The useful materials obtained from the dismantled materials are to be handed over at Port General Stores or at the place shown as directed by the Engineer-in-charge at no extra cost to the department.
26. If the dismantled materials / debris etc., are not removed as per the instructions of the concerned officer/ their representative a penalty of Rs.100/- per day shall be levied.
27. The Tenderers are expected to carefully inspect the site of work and study the site conditions before Tendering for this work and no claim whatsoever will be entertained at a future date arising out of local working conditions and clarifications given by the department.
28. Before commencement of the earth excavation works the contractor shall obtain approval of the Engineer-in –charge for the alignment marked at site of work. Clearance shall also be obtained with regard to non-interference of optical fiber cables of information technology network and electrical cables of Mechanical and Electrical Engg. Dept.
29. The Contractor shall abide by all statutory regulations, labour rules, insurance, safety codes, P.F. contribution, Minimum wages act in force and as applicable during execution of the contract and obtaining clearance from Visakhapatnam Port Trust and relevant authorities as and when required.
30. The Contractor should observe the prohibitory rules and regulations in force at the time of work and as revised from time to time and cause no obstructions or hindrance to the department work.
31. Visakhapatnam Port Trust will not supply cement, steel and water.
32. The 2% value of the Tender amount should be paid towards EMD along with submission of Tender. The EMD of 2% will form part of the total security deposit of 10% and only the balance of 8% will be recovered from the running on account bills at the rate of 10% until the balance of 8% is recovered. The Security deposit will be refunded only after satisfactory completion of the work.
33. The contractor or his authorized representative shall invariably sign in the hindrance register which shall be maintained by the concerned division at site of work whenever any hindrance takes place while execution and the same will be reviewed by the Engineer–in–Charge from time to time, to examine the justified reasons for considering extension of time etc.,
34. The contractor shall employ and post full time engineer/supervisor as necessary in execution of works as per requirement and as per instructions of Engineer-in-charge failing which an amount of Rs. 8,000/- per month will be recovered from the contractor's on account bills.
35. Opening of the Tender on 15- 03-2018 after 14.00 hours.
36. The Port working hours are from 08.30 AM to 1.00PM and from 02.00 PM to 5.30PM.
37. Any work requiring supervision carried out by the contractor beyond working hours and holidays, the contractor shall apply in writing in advance of such work to arrange supervision.

As approved at pre-page, it is to inform that tenders for the subject work have been sent to IT center on 10-10-2017 to place on VPT Website and the same was arranged for placing on notice Board of CE dept and NIT was issued to all the addresses mentioned in the NIT.

The following two tenderers have taken part in the bid on 13-10-2017 and the amount quoted by them are mentioned against each.

Sl. No.	Name of the Firm	Quoted Value	Status	Remarks
1	M/s Bhargavi Constructions, contractor VSP	2,08,419/-	L-1	9.99% Excess
2	M/s Sai Padmaja constructions , contractor, VSP	2,23,597 /-	L-2	18% Excess

At the outset the tender committee has gone through the L- 1 tender dt. 16-10-2017 of M/s Bhargavi Constructions, contractor VSP for the subject work and observed that the said tenderer has quoted 9.99% excess with the estimated amount put to tender of Rs. 1,89,489/- The tender committee has gone through the documents submitted by the L-1 tenderer, M/s Bhargavi Constructions, contractor VSP, in detail and observed that the same are found to be in order.

Since the work is of an important and urgent in nature and is to be taken up on priority and we may not get better bids even if the tenders are re-invited, the tender committee recommends for acceptance of the L-1 tender of M/s Bhargavi Constructions, contractor VSP for Rs. 2,08,419/- which is 9.99% excess with the estimated amount put to tender of Rs. 1,89,489/- for execution of subject work at estimated rates vide minutes dt. 16-10-2017.

The tender committee proceedings for acceptance of the L-1 tender of Sri M/s Bhargavi Constructions, contractor VSP for Rs. 2,08,419/- which is 9.99% excess with the estimated amount put to tender of Rs. 1,89,489/- was also signed by the Tender Committee which is submitted herewith for perusal.

It is proposed to issue work order to L-1 tenderer, M/s Bhargavi Constructions, contractor VSP for Rs. 2,08,419/- as recommended by the tender committee vide minutes dt. 16-10-2017.

Therefore, approval of Chief Engineer is requested for the following:

To issue work order to the L-1 tenderer, M/s Bhargavi Constructions, contractor VSP for Rs. 2,08,419/- which is 9.99% excess with the estimated amount put to tender of Rs. 1,89,489/- as recommended by the Tender Committee vide minutes dt. 16-10-2017 for execution of the work of **“Providing security gates at JP- 1 sidings near Mindi approach in Western sector”**.

Submitted please.
