Dt. 27.05.2020.

C I R C U L A R No: 1261

Sub:-Conducting joint examination of Inward / Out-ward rakes in R&D Yard by
E.Co.Railways and Port C&W staff – Reg.

Ref: Sr. DOM ,EcoRlys letter No W/Stat/VPT/2020 dt 18.05.2020

* * *

It was informed by E.Co.Railway authorities that, joint examination of Inward / Out-ward rakes in R&D Yard will be conducted from 28.05.2020 to assess Damage & Deficiencies of rakes for a period of 7 days, in R&D Yard to arrive damage & deficiency rate per wagon.

During the joint examination, an intensive examination of Inward / Out-ward rakes will be carried out, so that minute details of damages can be recorded, which will form base for calculating damage & deficiency rate per wagon.

Hence, in view of the above, it is informed to take utmost care during loading / unloading of rakes and avoid damages & deficiencies to the railway wagons by adhering safe handling practices.

Therefore, it is requested to take precautionary measures during loading / unloading operations, so that damages & deficiencies to railway wagons are avoided.

We solicit your kind co-operation in this regard.
