**CONTRACTOR**

**EXECUTIVE ENGINEER (WEST)**

**VISAKHAPATNAM PORT TRUST**  
**ENGINEERING DEPARTMENT**

**NAME OF WORK:** - Strengthening of berm portion with second hand CC Blocks to old GNT Road portion at Naval Dockyard near CWC godown(unit-2) in western sector Area.

**SPECIAL CONDITIONS**

1. All materials and workmanship shall conform to the appropriate Indian Standard Specifications, published by the Bureau of Indian Standards (BIS) latest versions as applicable, specifications given in the Schedule "B" (schedule of quantities and rates) of the contract and special conditions. Standards issued elsewhere may be used if approved by the Engineer-in-charge for those items of work only for which appropriate Indian Standards do not exist. Necessary testing charges, if any, shall be borne by the contractor.
2. The Contractor is responsible for taking precautionary measures for the safety of the lives of the mazdoors working under him and the responsibility arising due to any mishap during the execution of work, the payment of any compensation etc., lies entirely on the part of the Contractor.
3. The notice inviting tenders etc., shall form part of contract.
4. All the rules and regulations governing the Visakhapatnam Port Trust shall be applicable.
5. Any damages caused to Port property either directly or indirectly shall be made good by the Contractor at his own cost.
6. The decision of Engineer-in-charge is final in case of any technical clarification.
7. All defective works pointed out by the Engineer-in-charge shall be rectified by the contractor at his cost.
8. The percentage excess / less over total schedule amount shall be required to be typed at the end of the schedule- 'B' by the contractor.
9. No sales tax will be paid on account of the work.
10. The work should be completed with in 30 days from the date of work order.
11. It is the responsibility of the Contractor to see that the job entrusted is done expeditiously with safety and in time. A penalty of  $1/2$  % will be levied for every week of delay subject to maximum of 10% on the total value of the contract. In this connection, the decision of Chief Engineer is final. Time is the essence of the contract.
12. The VPT reserves the right to withdraw any item of tender or to cancel the subject tender without assigning any reason.
13. Statutory deductions will be made from the bills.
14. Any additional work required, should be carried out with the prior approval of CE / VPT or his authorized representative and will be paid extra as per mutually agreed up on.
15. The Standard VPT conditions, which are not mentioned, are also applicable to this work.
16. The Contractor has to follow the norms of IMS as the VPT is adhering to Quality management system (ISO 9001-2008), Environmental management system (ISO 14001-2004) and Occupational health & safety assessment series (OHSAS 18001-2007) for their activities.
17. Service tax registration Certificate shall be submitted along with tender. Service tax will be reimbursed against submission of service tax registration number.
18. The contractor / Firms while quoting tender shall note that, no post tender negotiation will be held with the L-1 tenderers, except in exceptional cases, whenever it is found necessary.
19. If any forged / fake documents are submitted by the tenderers, the management reserves the right to forfeit the EMD/SD besides their business dealings with VPT will be banned.

**CONTRACTOR**

20. No claim will be entertained for fluctuation in market rate of any labour, materials on transportation etc., during the period of contract.
23. The contractor shall obtain the necessary passes for there/his workers from CISF/TM department for the contract period
  
24. The contract can be foreclosed at any time with 3 days notice to the contractor. If required the said contract can be extended on the same terms and condition on monthly basis as per discretion of E-in-C.
  
25. METHOD OF MEASUREMENT:  
Standard Method: Unless stated or billed otherwise, quantities shall be measured in accordance with the Indian Standard code of practice for Measurement of Civil Engineering works I.S. 1200. The rates entered in the contract shall include whatever allowance is considered by the contractor to be necessary for waste, working area, construction slopes, batters etc.
26. The payment of transportation of Earth / Debris will be made on stack measurements after deducting 20% for voids. The Contractor has to make stacks at his own cost at the place of loading and spread the debris / earth at the place of unloading to lines and levels as directed by the Engineer-in-Charge.
27. The useful materials obtained from the dismantled materials are to be handed over at Port General Stores or at P.way stores office or at the place shown as directed by the Engineer-in-charge at no extra cost to the department.
  
28. If the dismantled materials / debris etc., are not removed as per the instructions of the concerned officer/ their representative a penalty of Rs.100/- per day shall be levied.
29. The tenderers are expected to carefully inspect the site of work and study the site conditions before tendering for this work and no claim whatsoever will be entertained at a future date arising out of local working conditions and clarifications given by the department.
30. Before commencement of the earth excavation works the contractor shall obtain approval of the Engineer-in –charge for the alignment marked at site of work. Clearance shall also be obtained with regard to non-interference of optical fiber cables of information technology network and electrical cables of Mechanical and Electrical Engg. Department
31. The Contractor should observe the prohibitory rules and regulations in force at the time of work and as revised from time to time and cause no obstructions or hindrance to the department work.
32. Visakhapatnam Port Trust will not supply cement, steel and water.
33. The 2% value of the Quotation amount should be paid towards EMD along with submission of tender. The EMD of 2% will form part of the total security deposit of 10% and only the balance of 8% will be recovered from the running on account bills at the rate of 10% until the balance of 8% is recovered. The Security deposit will be refunded only after satisfactory completion of the work.
34. Opening of the tender on -2015 after 14.05 hours.
35. As the work is situated on road in heavy traffic, necessary traffic diversion, safety appliances like safety cones, safety ribbon, diversion boards, and flags should be provided with out extra cost to the department.
