CIRCULAR NO.1149.

**Sub:** Non utilization of Mechanical Truck Tyre Washing facility at the approach of B-ramp of port connectivity road-Reg.

**Ref:** This office Circular No:1141 Dated :16/17-08.2019.

\*\*\*\*

In reference to the aforesaid Circular, it has already been requested to the stacke holders that the outbound Trucks / cargo carrying vehicles leaving the port area are compulsorily required to avail the "Truck Tyre Washing Facility" located at the approach of the B-ramp, so as to ensure compliance of the pollution control norms of the port.

However, it was seen that out bounded cargo carrying vehicles approaching the B-ramp are not utilizing the said facility which is in violation of the Circular issued in this regard.

Accordingly it is once again being requested to comply with the Circular and compulsorily to avail "Truck Tyre Washing Facility." Any deviations in this regard may result in debarring the erring vehicles from entering the Port Premises.

Yours faithfully,

  
TRAFFIC MANAGER
