***

With a view to avoid accidents injury / loss of human life to the cargo handling personnel as well as those associated with allied activities inside Dock Area and the other operational areas, it was requested to the Users vide the aforesaid Trade Circulars to ensure compulsory wearing of Personnel Protection Equipment (PPE) viz., safety helmets, shoes etc. by their workmen and supervisors engaged in such operation.

However, it is noticed that compliance of the aforesaid is far from the satisfactory level and the aforesaid safety lapses have been viewed very seriously by the Dock Safety Authorities and under the circumstances it has been decided by the Appropriate Authority of VPT not to allow entry of any personnel inside the port premises and other operational areas without proper PPE. Trade Members / Stakeholders & Contractors deploying private labours in operational area will also not be allowed without wearing proper PPEs.

Besides above, it is also reiterated that it was mandated that all port users and contractor staff concerned intending to enter into the Dock Area must wear the GREEN COLOR Radium jackets and the same is still not being implemented / enforced by the Port Users/Departments concerned, in totality.

Failure to comply with the above will be viewed seriously and the entry of such defaulters into Dock Area will be restricted w.e.f. 01.01.2020.

All concerned are requested to co-operate in the matter for safety of personnel working in Dock Area and other operational areas.
