

VISAKHAPATNAM PORT TRUST
TRAFFIC DEPARTMENT

No. ITRA/SHP/FCIR

Dt: 18-03-2020.

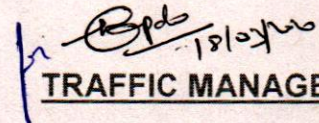

TRADE CIRCULAR No:1234

Sub : Checking the fitness of all the vehicles plying in and out of Dock Area as per the guidelines of RTO – Reg .

In context of the aforesaid subject matter, it is to inform that during the inspection of operating areas inside the Dock Area, it was found that some of the vehicles plying in and out of the Dock Area were not upto the benchmarks and guidelines issued by RTO

At times, several instances have been received for non-following of safety precautions/guidelines issued for drivers and helpers of the vehicles plying in and out of Dock Area. Verification of mandatory documents pertaining to the vehicles has revealed that in most of the cases the validity period of vehicle fitness has expired and renewal of the same is due.

Hence, in order to prohibit the risk posed by such vehicles plying, it is proposed to conduct verification of fitness certificates issued for the vehicles & to verify whether the vehicles related documents are in order as per the guidelines issued by RTO. Strict compliance of the same will augur well for maintaining high degree of safety and security in and around Dock Area.
